18TH ANNUAL

Teagarden
JAZZ
FESTIVAL
SACRAMENTO STATE

February 8, 2025

Greetings, Music Fans!

The Jazz Studies Department at Sacramento State is proud to host the 18th annual Teagarden Jazz Festival for Young Musicians. The festival, sponsored in part by the Sacramento Jazz Education Foundation (SacJEF) and presented by the SacJEF, is believed to be the only educational student festival that is dedicated to the performance of Traditional Jazz Music. We welcome all the directors and student musicians to our campus to perform for our line-up of professional jazz adjudicators, clinicians, and performers. We are pleased to present the multi-talented Gunhild Carling as our featured artist this year. In addition to performances by the participating student ensembles, the festival will include feedback clinics and a special jazz workshop with Gunhild Carling. The festival concludes with our Showcase and Awards ceremony, along with encore performances by some of the best combos from the festival and the closing concert featuring Gunhild and the Festival Clinicians Band.

The TJF is a non-competitive, educational event in that no scoring or ranking of ensembles is made or implied. Our festival revolves entirely around one central concept: our young musicians must be taught how to play jazz while enjoying the learning process through every means available.

Thank you for attending and supporting the Teagarden Jazz Festival at Sacramento State University. It is a rare educational experience for California music students and the greater Sacramento community, as this annual festival allows us to foster young musicians by combining expert teaching with the exhilaration of live performance. I hope you enjoy your day!

Sincerely,

Dr. Steve Roach
Director of Jazz Studies
Sacramento State University

Jazzinators I and II

The Jazzinators are the house band of the East Bay Traditional Jazz Society (EBTJS), a 501c3 non-profit organization. The band is comprised of elementary, middle and high school students from the Fremont area, who meet once a week for rehearsals of two hours. They perform for various community events, raising funds to send qualified students to various Jazz Summer Camps (primarily the Teagarden Camp). To receive a full scholarship, a member must attend 80% of the rehearsals and performances. Our goal is to keep Jazz Alive with our young adults!

CATS IN DA CLUB

The Cats in Da Club is a student-run band consisting of students from all around the Fremont area. They too are sponsored by the EBTJS and meet twice a week for two-hour long rehearsals. This band consists purely of high school students who perform at community events and festivals. The purpose of this band is to help share the love and joy for Traditional Jazz by giving some students the chance to perform it in a small ensemble, contrary to the Big Band Jazz that most schools have.

Director Kurt Pearsall brings a wealth of experience and a deep connection to traditional jazz. Kurt co-founded the original Trad Jazz Demo Group with Scott Gordon in 1979 and was a founding member of the STJS Youth Education Committee in 1980.
